Midwives caring for vulnerable women

Homerton University Hospital

September 2025

Consultant Midwife for Public Health and Safeguarding:
Tamsin Bicknell 07919 538 357
tamsinbicknell@nhs.net

Strategic lead for safeguarding. Can advise and offer supervision when Named Midwife not available; escalation & senior support. Birth planning clinic for those who have experienced sexual trauma or abuse (PBAST= Positive Birth After Sexual Trauma)

Named Midwife for Safeguarding: Annmarie Badchkam 0777 645 1101
annmarie.badchkam@nhs.net

Operational lead for maternity safeguarding. First line for advice or supervision, escalation and senior support in complex cases; doesn't hold a caseload but can triage referrals. Able to facilitate contact with safeguarding midwives across London & send maternity alerts via named midwives. Responsible for safeguarding training/policy, MARAC contact for maternity and local safeguarding committees. Contact regarding Maternity Psychosocial meeting

Specialist Safeguarding Midwife for Out of Area Women:
Charlotte Williams
07423 797 189
charlotte.williams30@nhs.net

Caseloads vulnerable women booked for care at HUH who are not resident in our area (Hackney/South Waltham Forest). Assists the Named Midwife with safeguarding enquiries and training

Specialist Midwife for Perinatal Mental Health:
Wendy Carter (Mon-Thurs)
0777 639 1178
wendy.carter1@nhs.net

Caseloads women whilst inpatient antenatally either in the Margaret Oates mother and baby unit or adult psychiatric wards. Drives forward Perinatal Mental Health agenda and supports staff

Ocean Team (maternal mental health) Midwife: Emma Finalyson (Mon, Thurs, Fri) 07388 998 668
emma.finlayson@nhs.net

Part of local service offering support to those needing support for tokophobia, birth trauma or loss. Doesn't hold a caseload

Public Health Midwife Team Leaders: cover geographical neighbourhoods, see next page for contact details

Caseload most complex women in their particular area of HUH catchment. Support team midwives to caseload less complex vulnerable women. May jointly caseload or provide liaison for less complex cases.

Specialist Midwife for Substance and Alcohol Misuse - Phoenix Team:
Anna Nesbitt (Mon, Tues, Weds)
anna.nesbitt@nhs.net 07825 733 325;
Annabel Flack(Weds, Thurs, Fri)
annabel.flack@nhs.net 07876 863 165

Caseloads most complex women affected by substance/alcohol misuse, either in or out of borough. May jointly caseload or provide liaison for less complex cases. Co-facilitates Orbit, weekly targeted support group/antenatal education
