Eligibility for referring for Cryotherapy, Curettage and Cautery – October 2025

Practices are only eligible to refer to the Community Minor Surgery Service for Cryotherapy, Curettage or Cautery if they have opted out of the Minor Surgery Additional Services element of the GP contract.

The below GP Practices have opted out and so are eligible to refer. Please confirm that the Minor Surgery GP Practice you are referring to offer this service before making a referral.

- Athena Medical Centre
- Beechwood Medical Centre
- Brooke Road Surgery
- Dalston Practice
- Heron Practice
- Neaman Practice
- Riverside Practice
- Wick Health Centre

If you have not opted out of the service, you are not eligible to refer as your practice is already funded to provide this service.

If you have any queries about whether you have opted out - please contact Helen Crane at helen.crane1@nhs.net.

Please do not refer to Homerton Dermatology Outpatients for Cryotherapy.
